LENGTH (CM)

WEIGHT (GR)

EXAMINED ON

2015-10-08

OK CANCEL

ACCEPTANCE CRITERIA

I can register the social security number, birthdate, gender

I can register the length, weight and date of the first examination

An error message is given if not all fields are provided

An error message is given if invalid data is provided:

- Birthdate should not be in the future
- Length should be between 50 and 300 cm
- Weight should be between 300 and 700000 gr
- Examination date should not be in the future

SHOW PATIENT DETAILS

NARRATIVE

In order to check the physical condition of a patient

As a caretaker

I want to consult his/her personal details

MOCK-UP

The mock-up consists of two main components. On the left is a 'PERSONS' list box containing a header 'PERSONS', a label 'SOCIAL SECURITY NUMBER', and two entries: '99051822361' and '87081220062'. Below these entries is a 'NEW' button. An arrow points from the first entry to a larger 'PERSON 99051822361' details box on the right. This details box contains the following fields and values:

Field	Value
SOCIAL SECURITY NUMBER	99051822361
BIRTH DATE	1998-05-18
GENDER	MALE
LENGTH (CM)	180
WEIGHT (KG)	75000
EXAMINED ON	2015-10-05
BMI	23.15

At the bottom of the details box is a 'CANCEL' button.

ACCEPTANCE CRITERIA

The social security number, birthdate, gender, length, weight, examination date and bmi are given

The physical data of the most recent examination are given

The bmi is rounded to 2 digits

An error message is given if the patient cannot be found

ADD PHYSICAL EXAMINATION DATA

NARRATIVE

In order to track the physical condition of a patient

As a caretaker

I want to register the data of a new physical examination

MOCK-UP

The mock-up consists of two main panels. The left panel, titled 'PERSON 93051822361', displays patient information in a list format with corresponding input fields: SOCIAL SECURITY NUMBER (93051822361), BIRTH DATE (1993-05-18), GENDER (MALE), LENGTH (CM) (180), WEIGHT (GR) (75000), EXAMINED ON (2015-10-08), and BMI (23.15). At the bottom of this panel are two buttons: 'ADD EXAMINATION' and 'CANCEL'. The right panel, titled 'NEW EXAMINATION', contains three input fields: LENGTH (CM), WEIGHT (GR), and EXAMINED ON (2015-10-08), followed by an 'OK' button. A curved arrow points from the 'EXAMINED ON' field in the left panel to the 'EXAMINED ON' field in the right panel, indicating data transfer.

ACCEPTANCE CRITERIA

I can register the length, weight and date of the examination

An error message is given if not all fields are provided

A patient cannot have more than one examination for a given date

An error message is given if an invalid data is provided:

- Length should be between 50 and 300 cm
- Weight should be between 300 and 700000 gr
- Date should not be in the future
